Hi Denise,

I'll attach internal and deliberative drafts that may be helpful as a starting point **Deliberative Process / Ex. 5**

Let me know if you need further clarification or think of other questions, too.

Thanks Lars. **Personal Matters / Ex. 6**

Would you be able to give us an overview of the policy issues with the WI/MO areas? I am including Scott Mathias and Heather Simonoin the call so they will probably have all the bases covered but I would like a quick overview if that is possible.

Thanks!
 Denise

Denise,

I hope that you're doing ok **Personal Matters / Ex. 6** Unfortunately I am out all next week and will not be able to participate on the call. Is there anything I can do this week to help; either through explanations on the TSD or

anything logistical wise? I will say that in preparing the TSD it came down to Scott Mathias, Heather Simon and myself cranking through it. Please let me know how I can help and if the call is postponed, I'd be happy to participate the next week. I hope to see you and catch up real soon.

Kindly,

Lars

Hi Lars, hope you are well. I am sure you are extremely busy but I wanted to invite you to participate in a call OGC/DOJ are having next week with Region 5 and OAQPS. **Deliberative Process / Ex. 5**

Joann will have the technical folks there, but as I recall you prepared the TSDs for these areas. Would love to have you on the call if you are available.

Deliberative Process -- Attorney Client / Ex. 5

I will include you on the invite list. Hope you can attend-
